

EMITREMMUS DESREVER 2013

Congratulations to the 305 cyclists who completed one of the rides.

The forecast said we would be half drowned then blown off our bikes. That probably had a lot to do with more than one hundred entrants not showing up but we still had more than 300 finishers - 255 on the 101 kilometres ride and 50 on the "Lite." Find all the successful riders inside.

There are lots of pictures in the gallery at www.stevenagectc.org.uk
